

Thank you for your interest in our school.

The Trinity School is a high achieving 11-19 Academy with a flourishing Sixth Form. We are part of the St Barnabas Catholic Academy Trust within the Diocese of Nottingham. We are a thriving, highly successful and heavily over-subscribed school with a long and well established reputation.

The aim of the school is to help everyone in the school community to grow in faith and to make the most of their innate ability. The culture and ethos of the school is one where we all have high expectations of one another, we recognise that everyone learns differently and that making mistakes and taking risks are both part of learning.

Our students are wonderful, they are our ambassadors: hardworking, friendly, fun to be with and genuinely pleasant and polite young people. They are supported by an outstanding team of staff who are united in encouraging and challenging all our students to be the best they can be.

There are many aspects of life which are important for our children, not just exam results, but also human wholeness, laughter, fun, caring for others and spirituality. These qualities will remain with them for the whole of their lives if nurtured in the right way in our school. At The Trinity School our extra-curricular activities are an essential part of a young person's development and all students are encouraged to profit from the wide range of activities on offer. Whatever their talents and abilities they will have opportunities to succeed. Different children have different abilities and aptitudes. Many may not know what their own are when they join us simply because they may not have been given the opportunity to find out. I see our role as helping to provide those opportunities, developing talent and celebrating achievement (academic and non-academic).

You will find our school friendly and inviting. If you pay us a visit you will be met with courtesy and politeness from students and staff alike.

I am extremely proud to be Headteacher of the Trinity School. I believe we are an excellent school. I shall conclude by highlighting what our Diocesan Canonical Inspection said in 2014 when they visited our school

'The Trinity School is an outstanding Catholic school, founded firmly on gospel values. The school's ethos and values, consistently high expectations, excellent relationships, belief in the individual, mutual respect, strong sense of community and belonging are all outstanding features.'

I hope having read this you feel that we are the type of school where you could work and make a contribution to our community.

Sean McClafferty - Headteacher
