Dear Parents and Carers

Last week we contacted you to inform you of our plans for in-school lessons for all Year 10 students which were due to start on Monday 8th June. However, following the Prime Minister's announcement on Sunday evening and the subsequent Department for Education documentation released on Monday evening we have been forced to reconsider our plans. The Prime Minister's announcement also highlighted the fact that secondary schools will not be allowed to return any earlier than 15th June.

Whilst the news is somewhat saddening and frustrating we must hold on to the key priority at this time which is the safety of our community. We now begin work on a new plan for lessons in school which will maintain the highest standards of education, that are as safe as possible and also meet the latest set of requirements as set out by the Department for Education.

We will be in touch again soon with a further update. In the meantime, please try and enjoy the rest of the half term holiday.

Thank you again for all your support and we are looking forward to seeing your child/children soon.

Yours faithfully

Mr Shenton
Headteacher
