

PARENT EVALUATION

In order for us to review and evaluate our Careers Education programme, we would value your thoughts and comments using the feedback form below.

	Yes	No	Comments
Are you aware that the Careers Education programme is published on the school website?			
Do you know what careers activities your child has participated in during the academic year?			
Have you had the opportunity to engage with a local employer or provider at an Information evening or Parents evening?			
How confident do you feel that the careers programme has provided your child with meaningful information about career opportunities?			
Are you aware of the local job opportunities?			
If you needed to find out more career related information would you know who to contact in school?			

Would you be interested in supporting any career and employability activities? For example:

Mock Interviews

Career talks

Work place visits

Work related curriculum projects

Dragon's Den activities
