

INSTRUMENTAL MUSIC TEACHING 2023/2024

Dear Parent/Carer

We are very excited that your son/daughter has shown an interest in instrumental music lessons here at Trinity. Trinity Music department has a long tradition of achieving outstanding results in both musical performance and academic success. It is expected that once your child is of a proficient standard on their instrument, they will take part in one or more of the extracurricular ensembles on offer to them at the school.

Music lessons at Trinity are provided by the Our Lady of Lourdes Music Service. They offer weekly shared and single instrumental lessons throughout the academic year, rotating or set around student timetables so the same lessons are not missed each week. They are also able to accommodate 30-minute lessons by prior arrangement, either before, during breaks and after school. The music service has a host of dynamic, inspiring teachers who can adapt to your child's learning to enable them to join our extensive range of ensembles and clubs from rock bands to orchestras, choirs and big bands each week as they progress through their musical journey.

If your child is interested in participating in music lessons, please complete the attached form and return it to your school office.

Please see below the instrumental music tuition costs for 2023/2024. OLOL Music Service is a non-profitable Academy Trust, lesson prices are always highly competitive and the best around the county. Fees are paid termly via your school's cashless payment system. Paying in instalments is available as long as fees are paid in full by the deadline. A half term of notice is required if your child wishes to stop lessons. Hire of instruments is available for a small fee.

Due to the Covid-19 pandemic, teaching has transferred successfully online during school closures and has been very well received. Should Government guidelines in the future cause schools to close again, lessons will be uninterrupted by switching to online teaching.
